Coal Ridge Athletic Department and CRHS Booster Club are excited to bring our annual golf tournament to the beautiful course at Lakota Links Golf Course! All proceeds go directly to the athletic teams and clubs at Coal Ridge High School. This tourney has allowed numerous upgrades throughout our fields and courts such as scoreboards, team chairs, sheds, mats, new backboards, weight room equipment, NFHS video capability, and so much more. Without our generous community these things would not be possible! Please join us for special contests, hole-in-one contests, silent auction items, and a catered lunch in the clubhouse after the tourney.
